Building and history

Unique Marconi schooner in shopped steel and galvanized paint, built in 1988 by the shipyard in Martigues, France. The yacht arrived in Polynesia in 1992 and was purchased by its current owner in 2000 (3rd owner), who carried out a major refit. There is still some work to be done, which he is unable to finish for health reasons.

Engine

Perkins 4236 M 80 HP engine (1,316h, 2004: engine and Hurz clutch rebuilt)
Average consumption: 6 L/h - 500 rpm
Last oil change and junction tightening in 2023
Tourto clutch
Propeller shaft, fork seal and stuffing box from 2017
Clamps and hoses from 2018

Stainless steel rudderstock from 2007
Perkins 4236 M engine in parts for disassembled spares stored in plastic drums
Other spare parts: 2 starters + 1 seawater pump
Vétus bow thruster (good working order, rewired in 2021)
800 L diesel tank + 400 L reserve tank

Marconi rigging

Original braided rigging (revised when the masts were replaced in 2018)
Aluminium stepped masts and backstays (2018)
4 Shrouds to be replaced
1 Aft boom + 1 spare boom
2 Poles
3 Mainsail (in good condition, to be modified)
3 Genoa (new protection)
2 Furling staysails (2019, to be modified)
1 Storm jib
2 Winches 52 2 speeds for genoa
2 Single Winches 42 for the mainsail
2 Winches 36 for the boom
3 Single Winches for the mast, including 1 with 2 speeds

Ground tackle

Windlass 3000 W in good working order, relay and remote control fore/aft to cockpit from 2022 + wiring from 2021
Main anchor: Mantus anchor 38.6 Kg (2023) + 80 m 12 mm chain
Secondary anchorage: FOB 30 Kg anchor + 2 m 12 mm chain + 40 m rope
CQR anchor 25 Kg in spare

Comfort

Fresh water tanks under the 2 cabins for a total of 1800 L
Double sink (2018)
Washbasin
2-Burner ENO stainless steel stove + oven
Large 12V fridge/freezer
4-Drawer 220 V freezer
220 V electric water heater
1 Interior shower fitted in 2019
1 Outside shower in cockpit
1 Ceramic electric toilet (2021, never used)
1 Washing machine

Electrics

2 AGM 110 Ah house batteries
1 AGM 120 Ah house battery (2022)
2 * 120 Ah engine batteries
1 Alternator for main engine and 1 for HV engine
7 Solar panels 170 W, total 1190 W (2021)
2 Regulators 40 Ah and 60 Ah: 1 for 4 aft panels and 1 for 3 cockpit panels
2 Air Breeze 200W wind generators (bearing to be changed for one)
1 Handheld air conditioner
Mastervolt 50 A battery charger
Renault 6 KVA diesel generator (to be overhauled)
3000 W inverter
LED lighting throughout the yacht (2023)
4 * 12V fans: cabins and saloon
2 * 220V fans

Electronics and navigation instruments

VHF Icom IC - M59.0
Navicom handheld VHF
Raymarine C70 GPS with Polynesian charts

Raymarine 3000 autopilot
Self steering vane (bought second-hand in 2016, good condition with spare parts)
Raytheon SL 70 radar (very good condition, 2021)
BLU ICOM-M710
Raymarine ST60 wind, speed, compass and depth instruments
Raymarine C70 multifunction displays
SSB (antenna connected to Icom 700M)
Barometer
Compass
Marine clock

Safety equipment

6 Life jackets
Epirb beacon (to be overhauled)
2 Fire extinguishers
Flares
2 Harnesses
4 Electric drainage pumps: main engine, central compartment, shower and GV
Hand bilge pump (installation to be finished)

Tender

Tender Hightfield 2.60 m (good condition, 2021)
Yamaha 4 HP outboard engine (revised 2023)

Miscellaneous

All portholes changed in 2023
Interior hull painting (2016)
Painting of fittings (2021)
Welded steel structure for solar panels (2007)
Mainsail cover
Cockpit cushions
3 Covers: bow, cockpit and stern
2 Double mattresses
Vacuum cleaner
2 Mobile fans
3 Pairs of fins, masks, miscellaneous
Complete engine and other tools (sander, grinder, etc.)
New electric welder + helmet
Numerous spare parts (engine, clutch, fittings, injection pump, starters, seawater pump, etc.)
Boat design available

Last bottom paint: 2023
Deck paint: 2021 (white)

Main strengths

Sturdy, comfortable sailboat for all latitudes.
Major refit.
A lot of work done in 2023.

ATTENTION :

The boat's inventories are based on the indications given by the owners and even if we do our best to see that they are in accordance with the reality, there might be some differences. The boat's and equipment's condition has to be checked jointly by the buyer and seller before the sale. The respective responsibilities of both the seller and the buyer remain intact. In no case can Raiatea-yacht be held responsible for any defect on the boat.
