Last bottom paint : 2020

Main strengths

Perfect combination of the strong hull of the 80s, with up to 6 cm (2 inch) thick fiberglass and the modern interior of a boat from the 2000s.

Deep cockpit for maximum security and comfort at sea.

Hard dodger and hard roof give excellent visibility and make her comfortable even in the rain.

ATTENTION :

The boat's inventories are based on the indications given by the owners and even if we do our best to see that they are in accordance with the reality, there might be some differences. The boat's and equipment's condition has to be checked jointly by the buyer and seller before the sale.

The respective responsibilities of both the seller and the buyer remain intact. In no case can Raiatea-yacht be held responsible for any defect on the boat.
